Your Final Gas & Electricity Bill

Your current balance is £187.05 Debit

Take a look inside for a breakdown of your monthly bill – this bill has been calculated using the most up-to-date meter readings available.

You'll find how we have calculated your current balance and further information including your energy usage and your tariff details.

You are on our Direct Debit scheme so you do not need to take any further action unless we require you to do so.

If you feel you are paying too much or too little, take a meter reading and submit online via your myAvro account or give us a call.

Could you pay less?

We estimate your annual cost for the next 12 months as:

| | |
|-------------|---------|
| Gas | £361.07 |
| Electricity | £451.27 |

These prices include standing charges, unit rates and VAT.

Remember – it may be worth thinking about switching your tariff or supplier.
